

HOW TO: LINK YOUR ePass Account to TRB ONLINE SERVICES

Log into a computer on the school network

IMPORTANT NOTICE

This process will link the computer user's ePass account to their TRB Online Services account.

Before completing the following steps, please ensure that you are logged into a computer on the school network using your account details.

Online services will link to the ePass account of the computer user, so you must be logged into the school network as yourself to complete this process correctly.

Navigate to Online Services Page

Go to the online services log in page <https://trbaccount.ntschoools.net/Login.aspx>

Link ePass to TRB Account

You are logged into NTSCHOOLS as ePass user 'trb.det', but your ePass has not been linked to a user account.

Enter a TRB Number and password below to link to an account.

If you do not wish to link to an account, you need to

- close this browser window (including all other tabs in the window)
- open a new browser and navigate to the login screen
- log in using your TRB user name and password

You cannot access your account while logged in with this unlinked ePass user.
