- **Initial Teacher Education Programs:** A national standard setting process is being undertaken, facilitated by AITSL with all jurisdictions involved to ensure the judgements for accreditation of initial teacher education programs is consistent.

From the Director

What a wonderful experience everyone had at the recent **national HALT Summit** in Darwin on May 24 and 25. We welcomed visitors from all across the country and had the opportunity to network with some of Australia's best teachers, including certified teachers from around the NT. The amazing certification team here at the TRB worked tirelessly with AITSL to organise the summit. Thank you Elizabeth Andrade, Rebecca Carter (currently on maternity leave) and Carrie Gledhill. I also express my appreciation to the schools that partnered with us to showcase education in the NT: Gunbalanya, Jabiru, Casuarina Street, Taminmin College, Gray, Stuart Park, Leanyer, Durack, Driver, Parap, Henbury, Nightcliff Middle School, and Woodroffe. The school visits were definitely a highlight of the summit.

Partnerships are very important to the TRB and we welcomed the opportunity to work alongside each of our employer partners.
